[57] **CLAIM**

The ornamental design for a telescope, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a telescope showing my new design, it being understood that structures shown with broken lines are for illustrative purposes only and form no part of the claimed design;
FIG. 2 is a right side view thereof;
FIG. 3 is a front elevation view thereof;
FIG. 4 is a left side view thereof with a tube structure portion thereof rotated to illustrate a second orientation of the telescope;
FIG. 5 is a rear elevation view thereof;
FIG. 6 is a top plan view thereof; and,
FIG. 7 is a bottom plan view thereof.
